VINEYARDS

A selection of old Tempranillo vineyards with very low production in the area of Rioja Alta.

HARVEST

Hand picked during the second and third week of october and transported to the winery in boxes and small trailers.

WINEMAKING AND AGING

Classic aging of 20 months in French and American oak barrels. In the course of aging, a quarterly racking is carried out, which also assists in the clarification of the wine (as filtering or aggressive treatments are not performed) in order to preserve the natural characteristics of the wine. Following its aging in the barrel, the wine is clarified with egg White and subsequently bottled, aging in the bottle at least for two years before placing it in the market.

TASTING NOTES

Medium-high depth wine, ruby red colour with roof tile rim, which denotes its long barrel ageing and its peaceful bottle ageing. Powerful on the nose with primary aromas of ripe fruit accompanied by complex spicy and balsamic notes and a slight touch of vanilla. Balanced on the palate, it is a round and unctuous wine with ripe and sweet tannins, providing the wine with a long aftertaste: an elegant Rioja classic.
